

# Recycling on Campus

## Recyclables

Must be:

**EMPTY!**

**CLEAN!**

**DRY!**

Mixed recycling containers are located across campus and in building lobbies

Indoor recycling bins can be found in most building lobbies

Outdoor recycling bins can be found all around main campus

## Wishcycling

Wishcycling is the well-intentioned belief that something is recyclable when it is not, which may contaminate other materials or could damage or harm recycling facilities or the workers.

*When in doubt, throw it out or visit our website to learn more about what can be recycled on campus.*

Visit our website for more information on recycling on campus:

[sustainability.louisiana.edu](http://sustainability.louisiana.edu)

## Recycle These!

Aluminum

Mixed paper

Cardboard

Plastic with a neck

## Throw Away or Donate When Possible!

Clothing or Toys

Glass or Ceramics

Shredded Paper or Small Paper Scraps (Receipts)

Styrofoam

Scrap Metal or Yard Waste

Electronics

Food or Beverage Cartons

Easily Tangled Items

## Additional Recycling Options Offered at UL Lafayette

### Ink & toner recycling

- We accept new & used ink & toner cartridges across campus
- You can also request ink or toner for your office or department. Both forms can be found on our website.

### Gameday recycling

- Our goal is Zero Waste at games, help us by recycling at the football games. Recycling bins can be found throughout the Cajun Field and Russo Park stadiums.
- In the stadiums: RED bins are recycling, BLACK bins are landfill.
- Outside the stadiums: GREEN carts are for recycling, BLUE carts are for landfill only.

### Plastic bag recycling

- On-campus plastic bag recycling bins are located in select buildings across campus. Make sure all bags are CLEAN, EMPTY, & DRY.
