23

Communities of Interest Lunch N' Learn

Tuesday 2:00pm | 1898 Room in the Union

Learn about cross-disciplinary, sustainability research being done on campus; including a look into existing Campus as a Living Lab projects and an announcement about future Living Lab projects!

Res Life B-Earth Day Party + Film Screening

Tuesday 6pm - 9pm | Randolph Hall

Join Corona Hall for some cake to celebrate the Earth! Stick around for a screening of the documentary film *Plastic Paradise*.

APRIL
24

Wellness Wednesday Health Checks

Wednesday 9am - 3pm | Wharton Hall Room 115

Wellness Wednesday is a health screening clinic for students, faculty and staff run by UL Lafayette nursing students.

Lunchtime Walk + Living Lab Tour

Wednesday 11:30am | Meet outside Wharton Hall

Get your steps in on this stroll to some of the active Living Lab projects on campus.

APRIL
25

Community Bus Ride - LTS Route 55

Thursday 10:30am - 11:30am

LTS bus stop on Johnston St. behind Maxim Doucet

Whether it's your first time or you take the bus everyday, join the Office of Sustainability and Lafayette Transit System on a Community Ride along Route 55, the Downtown-UL route.

Weigh the Waste

Thursday 11am - 2pm | Cypress Lake Dining Room

How much food do we waste? Why should it matter to you? Diners measure the uneaten food on their plates to raise awareness about food waste.
