

UL's Office of Sustainability is raising money for the Campus Sustainability Fund! Money from the Campus Sustainability Fund goes towards sustainability initiatives such as purchasing recycling bins for University of Louisiana at Lafayette campus and athletic facilities. It also goes towards funding events such as the University's Fête de la Terre annual Earth Day Celebration!

How do I become a supporter?

Used Ink and Toner Cartridges

Funding Factory

- 1 Save all used ink jet and toner cartridges.
2 Contact our office for a free shipping label.
3 Pack multiple ink and toner cartridges (without their original packing) in any cardboard box. Boxes must be no larger than 20" x 20" x 24" and weigh about 20-40 lbs.

or...

- 1 If you do not have enough cartridges for a shipment of your own, you can drop off what you have at our office on campus in Rougeou Hall 345 and we will ship your cartridges with one of our shipments!

Our Goal

\$2,500 by July 1, 2017

In addition to helping us attain our goal, you are positively impacting the environment through recycling and, in turn, saving nonrenewable natural resources and offsetting harmful CO2 emissions!

UL Campus Sustainability Fund

Thank You!

Check our progress on attaining our goal at www.fundingfactory.com/goal/ulsustainability
